

Baba Sawan Singh Ji, the master of Param Sant Kirpal Singh in reference to the following statement made on His successor „**My successor will come with tenfold mercy and strenght.**“

This statement clearly indicates that Param Sant Kirpal Singh, the true successor of Baba Sawan Singh is, because only the Almighty force can live, the grace and mercy, Baba Sawan Singh has lived fort he love. Note the number 10, this number 10 ist relevant here. $1 + 0 = 1$. Go dis the first in this universe. Go dis one. The numberss goes from $1 - 1(0) = I$ am the beginning and the end.

Sardar Bahadur Jagat Singh allededly had been appointet and October 23, 1951, was assigned again by the world-platform. when he signed the appointment decree of his successor Charan Singh, allegedly, he should have said:

„**The Treasure of my master goes back to Him. I am happy to be relieved of my duties**“,

It never could be the legitimate successor of Baba Sawan Singh (A master never takes back a grace, He gave). Because this would mean, that the so-called master, the duties would be unpleasant and he is glad to have got rid of these duties. ...

A competent Master of the highest order never will make such a statement. These competent any inconvenience take into the bargain to discover the lost sheep/souls in the world, to prepare them fort he spiritual way. Tjese Sant Mat Masteres don't come for themselves, but only fort he mankind to guide them out of the Negativity and guide them back to the source.

See the following report from „Sat Sandesh“, 1969, page 49:

„... One day in Juni was I, Kirpal, with my Master at Beas. As the weather was sultry and the Heat of strong, I suggested to Hazoor to spend some daxs in Dalhousie (a place in the mountains of the Punjab). Friendly He replied:

„Behold, Kirpal, people may think perhaps, I go form my personal convenience to the place in the mountains. Butt hat is not so. I do it in the h ope, as some lost souls open-minded enough, listen to the message of God and are prepare, to guids their steps to God. I personal have not the lowest problem with Heat or cold.“

The Mastersouls rove through the world after us and not we after them. They come here with an divine mission, to pick up those which are meant fort he sacred path up or such, who are worldtired and pitiable and call for a way out ...

The Master Kirpal said His children countless times:

Make the best use of your time, because time is running out „I beg you, **I implore you to meditate, ... nobody has asked you so, and nobody after me will do it and feel the compassion for you as I have ...**“

From this statement the competency , grace und compassion Kirpals obviously also results from this statement. With „nobody before me“ and „nobody after me“ are meant the competent Masters of the highest order (from the fifth to the seventh level) (Sat Sandesh 1975, page 22 „Sunset“).
