

Baba Sawan Singh Ji, the master of Param Sant Kirpal Singh following statement in Relation to his successor should have made "**My successor will come with 10-fold mercy and strength.**"

This statement clearly indicates that Param Sant Kirpal Singh, the real Successor of Baba Sawan Singh is because only the Almighty's grace and the strength Mercy can live, Baba Sawan Singh's love lived. **Accordingly Kirpal more power available** than Baba Sawan Singh, a master of the fifth Level. Note the number of 10th This number 10 is relevant here.  $1 + 0 = 1$ ;  
God is the first in this universe. God is one. The numbers go  $1-1 (0) = I$  am the beginning and the end.

If a so-called masters, as the successor of Baba Sawan Singh be, and would make the statement "The Treasure of my master goes to him. I'm happy, relieved of my duties to be ", it never to the legitimate successor of Baba Sawan Singh act can (A Master never had a grace that He gives, takes back).

Because this would mean that the so-called master duties would be uncomfortable and he is glad to be rid of his duties. A competent Master of the highest order will never make such a statement would be. The competent master any inconvenience to take to the `lost Sheep / `souls in the world to bring them to the spiritual path prepare.

See the following report from Sat Sandesh 1969:

Page 16 "... So if we are to earnestly implore the divine bliss, God instantaneously in the form of a living master of our aid, because that is the law. Christ replied, when he was asked where he was: "I have many sheep, to whom I must see.

Page 49: "... On a day in the month of June, I was / Kirpal straight at my masters in Beas. Since the weather is humid and the heat was strong, I suggested Hazoor before, some  
Delhousie time in (a village in the mountains of the Punjab) to spend. Smiling he replied:

"Behold, Kirpal Singh, the people might think that I have on my personal Convenience to the town in the mountains go. But that is not so. I do it in the hope that some lost souls but open-minded enough to Embassy of God to hear and are ready to step gottwärts direction. Mir personally do not heat or cold in the slightest."  
"

Such masters souls roam the world in search of us and not us after them. You come here with a divine mission to those aufzulesen, for the holy path are determined, or those who weltmüde and erbarmungswürdig call for a way out. ...

"The Most / Kirpal said his children countless times:

"Make the best use of your time, because time is running out ... **I would ask you, I implore you to, to meditate in front of me ... nobody has asked you so, and none after me will do it and for the compassion you feel**, as I have ... „The competence/mercy and compassion Kirpals obviously also results from this statement.. With "none before me" and "not after me" are meant the competent Masters of the highest order (from the fifth to the seventh level) (Sat Sandesh 1975, page 22, "Sunset").
