Religion = the connection with the „WORD/LOGOS“ = Light and Sound = the first manifestation of the Absolute One (Johannes-Prolog: „In the beginning was the WORD)

Kirpal = **the source of all what exists**, our Father, the Highest Lord of Compassion. The Teaching Kirpals is overkonfessional.

Kirpal: „Live after the reglement of your religion. It is not necessary to change the religion. It is good to be born in a religion community, but it is objectionable to stay in it, elevate you over it“...

We are living now in a special GraceTime, that it is possible, to get the Initiation and Kirpals immediately inner guidance. At the end of a zyklus the Almighty comes Himself, to give us the possibility, to be connected with Him directly. The blessing discharges directly from above, without mediator.

The Masters all teach, that there is no other means of spiritual liberation except the Shabd. Without actual conscious participation in the Audible Life Stream, no one can ever escape the net of karma and reincarnation or ever become free and happy. This Path is known as the Royal Highway of the Saints *el Camino Real*. It is the only Path that leads to spiritual (big Light) and complete emancipation. This is the gospel of the Life Stream. He who drinks of this Stream can never thirst again, but in him is a well of water springing up into life everlasting. This was the water of life, which Jesus offered to the woman at the well of Sychar, of which, he said, if she would drink, she would never thirst again.

It may be of interest to the student who was brought up in the Christian faith to know that Jesus himself very definitely mentions the Sound Stream and teaches that the new birth is to be attained by means of it. This is exactly what is insisted upon by all great Masters. Jesus himself says it can be heard, and yet the Church has entirely lost the meaning. In the first chapter of the Gospel of Saint John, it is called the „WORD“, through which all creation came into existence. If only the Christian disciples had once grasped this fundamental fact and held on to it, it would have meant a very different history for the Church. But unhappily the real meaning which Jesus had in mind was wholly lost. In the third verse of Chapter III, Jesus speaks of contacting the Current, and of actually hearing it. Then he distinctly says the new birth is attained through it. All of this is exactly in line with the teachings of the Masters. But it is a pity that the Churches have never understood this reference of Jesus to the most important experience stood this reference of Jesus to the most important experience which can possibly come within the range of human life. To the Church this new birth is a mysterious operation not in the least comprehended. In some way it is supposed to be performed by the Holy Spirit. But the exact process is quite unknown to them. The Masters alone can explain this statement of Jesus, for the Masters alone know exactly what the new birth consists of. Bear in mind that birth means bringing out into the light. Jesus says: „*That which is born of the flesh is flesh; and that which is born of the Spirit is spirit (John, 3:6)*“

Holy Spirit, Spirit, and Shabd – all mean exactly the same thing.

The most discussed Holy Trinity of the Church is nothing more nor less than the gracious Trinity of all the great Masters – the Supreme Father, the Master and the Shabd. These are literally and exactly the Father, the Son and the Holy Spirit. It is much to be regretted that the Church itself never knew the real meaning of the Trinity. The Master is a man, who has made himself one with the Supreme Father, and the Shabd is the Supreme Spirit in process of manifestation throughout the universe. The Master is now the representative and the spokesman of the Supreme Father on this earth plane. He is the real Son of God. All Masters are real Sons of God. In fact, all men are, but the Master is a perfected Son.

Param Sant Kirpal Singh told following event:

„This remembers me to a woman, I met 1955 in America. She saw sometimes Christus in her within und was satisfied with it. She made no further trials to come further on the spiritual way. One day I adviced her to ask the Christ, what she should do for the further Inner progress. The next day she came and wanted to get the Initiation, because the Christ ordered her, to search the guidance of the Living Competent Master, if she want to do progress on the spiritual way.

The inner Powers never don` t hinder the God-seekers.
Naam or the WORD/LOGOS is obtainable for all these, who are true seekers after the Truth and want to reach God.

**Jesus told His pupils: „*God did made me to His Ambassador. Go and proclaim all peoples the joyful Message from the Kingdom of God und make all human beings to my pupils.*“ *This Message is valid til this time now.*
Kirpal said the same: „*I will be happy you would be my Ambassadors*“.**

Once this time passes – such time may come again, but after 100.000 years. Then there is more work required. This high time is not possible every moment. More things will be enclosed for this very reason, but later-on, first we should decide.

In the Johannes-manifestation there are countly passages, which occupies with the subject of the guidance for the time „**after**“. He would come again „**soon**“. Christus manifested very clear ... and will write the name of my God and my name, the **new** (Manifest. 3,11,12). Under „new name“, so in another physical body, he will come again.

The Teaching of Kirpal is overkonfessional. It is not necessary to change the religion. The competent Master of the past gave the seekers the connection with Light and Sound, but was will be left today, only the theory of the Holy Teachings. Jesus and other Masters must leave this earth-plan after a time, but in our within they live further in the form of „SHABD/WORD“, outside of space and time.

The people go Sunday to the Churches, Moschees, Temples, etc. These are the initial stepps, but the people have no directly contact to this Highest Power, from different reasons, rituals will be accepted as compensation in the past, etc. The true freedom of the human-beings will be beginning only then, if nobody stands between him and the Almighty. This freedom can only through the Praxis of the Holy WORD/LOGOS = Light and Sound, the birthright of God, be reached. The spirit of God, the active working Godpower in the creation will be manifested as Light and Divine Sound and will be called from the Saints as „voice of God“. This Manifestation of the manifested power can the man listen the people in its within and come in contact again with the Godpower.

In this Grace-time now we have the possibility to reach the the highest spiritual perfection, the highest goal, namely to be one with the Almighty
This can be reached only in the human body !!

Jesus and other Masters must leave this earth-plan after a time, but in our within they live further in the form of „WORD or SHABD“ = Godpower, outside of space and time.
