

The Invention of the "holy syllable OM" –

a big move
the enslavement of the people!

(Excerpt from the book: Coralf, "Maitreya - Christ or Antichrist," KMVVerlag, Haan).

The Mantram (Sanskrit: verse from the Vedas, as the incantation or Magic formula is used) AUM or OM, a sacred mystical Invocation syllable, is considered the most solemn of all words in India and symbolizes the Trinity in One. "A" stands for the awake, "U" for the dream state and "M" for the deep sleep. OM, also called Pranava, called the Universal (Brahman) and is the manifestation of spiritual power and presence of the Absolute in the illusion (maya).

The world of physical, intellectual and confirmed by the subliminal three curves in the OM symbol and the highest consciousness through the outside and above this point, the three others by his own Light flashed and dominated (Roloff, little spiritual dictionary, p. 87). Without this absolute sense, there would be no thinking, no icon and no Universe. Therefore focuses OM invocation to the Unconscious, the deep, to reach this point and with him merge.

According to Tibetan tradition could be the "king of the world" by OMANrufung talk with God. This movie, he is always in a dark Cave temple, where the embalmed body of his predecessor with overcast Head and face and chest with the hands folded in a coffin black stone is. His head was a skull with a bare living black eyes and speaking tongue. The oldest named Goro OM have lived 330,000 years ago and had been the first man, God knew and from him the power over all forces, ruled over the visible world got.

After a prayer to OM, its high priest, become the "King of the World" by whose thoughts, in an aureole from the coffin out, wrapped and get the fiery letters on the walls written requests and commands of God. In this moment is the "king of the world" in Connection with the thought of all the people in power, the Lot of human life and influence (!). In response professionals the "king the world, "the Great Council of God, whose decisions he erfurchtsvoll God and in turn notify the commands of the Almighty receive. Then rays of the "king of the world into divine light.

This invocation is the counterpart to the resurrection of Jesus Christ and Overcoming of death. Jesus from the dead (matter) in the eternal life (Spirit). The OM-invocation as magical invocation of the "King of Shambhala" effect on the other hand, the step back from life to death, because man by the invocation of Satan in these remains bound.

(...) If, after the waste of spirits and the emergence of the gross World not only numerous demonic nature of Satan were created (by Sadhana, see the article "The truth about the Big Bang"), but also High Priest of black magic, turns out to be the Mantram OM Overlord invocation of Maitreya and the coffin as a magical ritual invocation Satan. Here, the spiritually dead in the coffin by OM enlivened by the spirit of Satan, with "living eyes" and "tongue speaking" his "divine command" in Form of thought to manifest (Note: By Satan is one of the Supreme Dark Prince meant that after the reversal in the sadhana Night at Golgotha Sadhanas body sat. See the article "The truth about the Big Bang").

It is significant that the "king of the world", in conjunction with the idea of those in power in the world, and through OM. Thus subject to the people that "the fate and lives of the people influence "through the invocation of OM and the magical influence of Satan and the "Great Council of God", its other high priests. This invocation causes not only a mental influence and Gedankenüberschattung, but also strengthened the influence of Satan in the world, whose effects of war, For power, hatred, unkindness, feeling cold, and above all ungodliness are. Both the syllable OM as well as referral to OM MANI PADME HUM begins numero logically with the number 16 (O), the disaster, and ends with the number 13 (M), the number of death. Assuming the 16 near the 13 and now the adiert individual numbers ($= 1 + 6 + 1 + 3 = 11$), we get the number of spiritual Power. It is not surprising that the King of Shambhala these Invocation formula than fighting against the Barbarians anpreist, than ever more people are calling him on OM, the more powerful is his power.

(...) By Maitreya (the "Lord of the world," Sanat Kumara) Human seduced him voluntarily by the Mantram OM call and worship, it could his in itself totally caught force unleashed and this Mayavirupa are created (Mayavirupa (Sk) = maya means "deceit" and virupa = "Many" means "body of illusion." There is a Spirit created deceptive figure ...). Through the global OM invocation will be the people directly connected with Shambhala and often without knowing it, Energy donor for Satan thought formations.

(...) In addition to his supporters who are against God's decision by are aware, there are a multitude of people, the OM-Mantram practice without the slightest knowledge about the effects of these Referral to possess. Nevertheless, they support through voluntary Maitreya OMANrufung indirect, which for his purposes is sufficient. (...) Just as Only God creates life, may counterbalance the Lord of Death, just lifeless create. Therefore Maitreya could not begotten, but only as a thought lifeless appearance will be created.

(...) The greatest commandment is to love God and love the warm among themselves. That, and not in the struggle lies the seeds of peace in the world and to brotherly love for all people. Therefore, Jesus is the old commandment "Thou shalt love thy neighbor and hate your enemy" and rejected

explicitly said: "Love your enemies, bless those who curse you, do
Good to those who hate you and pray for those who follow you, that ye
Sons of your Father in the heavens are! "(Mat 5 / 43 ff)
Hence, "ziehet the whole armor of God, so that her crafty
Attacks of the devil can stand up! For our wrestling is not
resist the flesh and blood but against powers, against powers, against the
Rulers of darkness of this world ... So do now stood in your loins
girt with truth, and clothed with the armor of righteousness and
shoes on the feet with readiness for the gospel of peace, and
in which all take the shield of faith, with all its fiery arrows
of evil will be able to delete! And take you to the helmet of salvation and
the sword of the Spirit, which is the word of God "(Eph. 6 / 10 et seq.)
