

Who was Param Sant Kirpal Singh ?

Is Kirpal according to our thoughts?

No, He is hundred percent above our thoughts.

Like in a kindergarten He teaches us to speak and learn
And delivers His own attention and helps us to see and hear.

We see and hear far less than He expects.

There is hardly anyone who is very exact.

And in spite of His efforts we move far less.

If we, each one, in our heart of hearts do think honestly,
we would see that we are still His arrogant children.

His purpose was to develop all of us as high as He was.

But no one did exactly according to His wish.

After His physical departure everyone found his own way.

If one said he is true, then all others he took for wrong.

Many different ways were followed by many, many of His followers, which shows that
we had not learnt our lesson up to His desire. Everyone is standing in the midstream
and blocking the water.

Some disciples who deluded many, deluded themselves and became so-called
masters. In spite of what He said many, many started rather searching Him in those
masters than to search Him in themselves. Many followed the experience of others
rather than to follow their own experiences and lost the wisdom of Master. The
thoughts which should have started from our own self were controlled by the so-
called masters and their followers.

It is still no difficult to say beautiful remarks for Him by practical and way of mouth
alone, since it is the easiest method and needs not the help of the heart. Such ones
became slaves of their own thoughts and did not like to hear others, as one would
prefer his words much more effective than the words of others.

So reality could very easily shift from heart, merely to intellect and lips. Who can be
better so-called¹ than we? Since everyone was given the right understanding and
hardly a rare one got it and helped others to know the Master and His further Mission.
So many beautiful experiences directly concerning the astral plane (not midway)
which Master always rejected, were approved lovably without discrimination by so-
called masters along with their followers. M that about the Competency of the Great
Master. (Note: I needed some old magazines – Sat Sandesh – very urgently; I could
get them very easily, as the man having them, told me, ‘You can have them, I do not
need them any more.’)

More one depends on others, more one becomes weak.

Whereas Master tells us to achieve the higher value of life.

He who attains the higher values of life is a blessed one,

but he who knows the hidden values of life through the higher values of life is a rare
one.

Before the age was to finish, came the Almighty in the form of Param Sant Kirpal
Singh into the world to wind up the work and bring back to Home Eternal all old

disciples of different Masters, who appeared so far in the Iron Age, since that power is supported by all such Masters as well.

(Note: Master on January 3, 1974 and even before told, `So far I have not initiated any new disciples. All are old, old disciples.´ On January 3, 1974 He confirmed that He had to initiate five hundred thousand disciples. Since He had initiated only one hundred and fifty thousand disciples, what about the rest? This is a secret which is very difficult to know, until He would reveal it Himself.)

Kirpal, the highest Lord of Compassion, came in this world and this highest Power came from Anami.. His work was the highest, corresponding to His highest power from where He came. It is said that the Master surrenders His disciple to the Satpurusha and the Satpurusha brings him to Alakh, from Alakh to Agam and from Agam to Anami.

He who comes from Anami, His work is independent. In real sense it is a golden opportunity. Such times come very rarely in the world. Master used to say, `The Grace which extends now was only possible some hundred thousand years ago.´ The most difficult time before the end of the Iron Age and before the beginning of the Golden Age in which the Masterpower has to accomplish His work outside and inside, is called Saarsathi.
